FAMILY PHYSICIAN OF THE DAY

The Louisiana Academy of Family Physicians is asking its members to sign up to be "Family Doctor of the Day" at the capitol during the 2009 Legislative Session. This program will enable the LAFP to build an effective relationship with our senators and representatives; a relationship that should be maintained if our views and suggestions concerning health care are to be heard.

We need volunteers for morning and afternoon shifts: morning shift is 10:00 am to 12:00 am, and afternoon shift is 2:00 pm to 4:00 pm, Monday through Thursday on select dates. You will be asked to non-invasive type procedures. Available dates are below in red. Once you make your selections, you will be notified of the date and time that you have been assigned. A parking spot is available at the capitol for your convenience and you will be covered under the state malpractice insurance when providing your services. If you are interested in serving in this program, please complete the information requested and mail or fax to our office:
