## Overview

The 2009 Louisiana Family Medicine Leadership Conference & Strategic Planning Retreat will be held in conjunction with the LAFP Board and Committee Cluster Meetings to allow students and residents who have an interest in family medicine a chance to interact with distinguished Louisiana physicians, network with Louisiana's exhibiting hospitals and residency programs, learn more about the LAFP/AAFP, AHEC and MedJob LA, get information on USMLE Step 2 Prep Test, and participate in hands-on clinical workshops.

## Goal

**Day 1:** To collaborate with students, residents and family physicians to address barriers to students going into Family Medicine, share successful programming ideas and encourage increased programming at Tulane and LSU, engage in educational sessions relevant to Family Medicine and meet others with similar passions, interests, and leadership roles.

**Day 2:** To work with LAFP Board Members, Committee Chairs, Past Presidents, Residency Program Directors and Medical School Department Chairs to develop a strategic plan for the LAFP.
