

SAMPLE EMAIL TO CIVIL LAW and PROCEDURE COMMITTEE:

To: Representative XXXXXXXX

Subject: OPPOSE HB 224

Dear XXXXXXXX

I am sending this email to voice my opposition to HB 224. This bill, if passed, will be harmful to hospitals, physicians, patients and all citizens of Louisiana. It would dramatically increase the cost of medical malpractice insurance premiums at a time when our healthcare providers can least absorb additional increases in premiums. Also, if passed, it would hinder the State's ability to attract and recruit new physicians to practice here at a time when there is already a critical shortage of physicians. The only benefactors to this legislation are the Malpractice Insurance Companies providing coverage in the State.

I am asking that you oppose HB 224!

Sincerely,
