

# FAMILY MEDICINE RESIDENCY FACULTY OPENINGS!

## About St. Francis Medical Center

Nestled in the heart of Monroe, Louisiana, St. Francis has been a steadfast pillar in our community for over 113 years.

St. Francis Medical Center includes 321 beds with a Level III trauma program, accredited chest pain center, the area's only Level II PICU, Level III NICU and Level III OB unit, and a bustling Graduate Medical Education program.

## Why Monroe

- Central hub of Northeast Louisiana rich in community, natural beauty, and activities
- Over 100 local eateries, 10 museums, dozens of boutiques, and fantastic school systems, both public and private
- We pride ourselves in bringing to life the phrase "southern hospitality," and are honored to bring a sense of comradery and family into our everyday lives.

## Opportunity Details

St. Francis is searching for rural family medicine and FM/OB trained physicians to join our program as faculty for ACGME Accredited Family Medicine Residency Program.

Backed by a dynamic and dedicated Program Director and Academic Affairs Director, this program is actively preparing for their inaugural class of residents set to join in July 2026.

In this role, you'll be responsible precepting and advising residents, developing curriculum and putting theory into practice while curating the culture for the next generation of family medicine physicians.
