Subject: New Submission #896: 2026 Faculty CME Proposal Application
Date: Wednesday, January 28, 2026 8:39:15 PM

First Name:: Kabiul
Last Name:: Haque
Designations (MD, DO, MPH, etc):: MD, MPH, MBA, MHA
Address:: 9726 Aiello Lane
Street Address (line 2)::
City:: Shreveport
State:: LA
Zip Code:: 71106
Home Phone Number:: [3183443992](#)
Cell Phone Number:: [\(318\) 344-3992](#)
Office Phone Number:: [318626000](#)
Email Address:: kabiul.haque@gmail.com
Tax ID # or Social Security #:: 797559028
Date of Birth:: 12/24/1987
Are you a member of the LAFP/AAFP?: Yes
AAFP ID#:: 9265684

Will you have co-faculty?: No

If yes, please indicate names and designation. (MD, DO, PhD, PharmD, etc):

Preferred Date and Time: (select all dates and times available): July 24, 2026 - 8:00 am - 9:00 am, July 24, 2026 - 9:00 am - 10:00 am, July 24, 2026 - 10:45 am - 11:45 am, July 24, 2026 - 11:45 am - 12:45 pm, July 25, 2026 - 8:00 am - 9:00 am, July 25, 2026 - 9:00 am - 10:00 am, July 25, 2026 - 10:45 am - 11:45 am, July 25, 2026 - 11:45 am - 12:45 pm, July 25, 2026 - 1:00 pm - 2:00 pm, July 25, 2026 - 2:00 pm - 3:00 pm, July 25, 2026 - 3:00 pm - 4:00 pm, July 26, 2026 - 9:00 am - 10:00 am, July 26, 2026 - 10:00 am - 11:00 am, July 26, 2026 - 11:00 am - 12:00 pm

Provide a title for your proposal that is no more than 80 characters including spaces.:

Evaluation and management of acute abdominal pain

Describe the problem, or gap in practice or knowledge you are addressing; and what the learner can expect to take away from this education.: Acute abdominal pain is a common presentation in both outpatient and emergency care settings. Family medicine physicians often face challenges in selecting appropriate diagnostic tests and formulating effective treatment plans. Certain causes of acute abdominal pain require emergent intervention based on diagnostic findings. However, family physicians may have limited familiarity with imaging characteristics of various conditions, such as ultrasonographic findings of acute cholecystitis and appendicitis, computed tomography findings of Crohn's disease, ulcerative colitis, and small bowel obstruction, as well as plain radiographic findings of bowel perforation and constipation. This lecture aims to provide learners with a comprehensive review of appropriate diagnostic testing, key imaging findings, and evidence-based treatment approaches for common causes of acute abdominal pain.

Provide a description regarding how this education has a direct bearing on patient care, or how it supports the physician's role in patient care, or how it has a direct bearing on a physician's ability to deliver patient care.: Gastrointestinal symptoms are commonly encountered in both primary care and emergency settings. This lecture is designed to refresh physicians' existing knowledge and provide updated information to enhance the evaluation and management of patients presenting with abdominal pain.

Select all that apply.: Initial Diagnosis, Treatment/Management, Patient Education

Objective 1:: Describe gastrointestinal, urinary, vascular, and hepatobiliary etiologies of acute abdomen.

Objective 2:: Discuss the reasoning behind using different modalities such as CT scans, ultrasound, and MRI.

Objective 3:: Manage acute abdomen based on various etiologies.

Objective 4:: Determine hospitalization criteria or the need for transfer to a higher-level facility for an acute abdomen.

Objective 5::

Practice Change 1: Be able to rationalize the image modality for the possible diagnosis.

Practice Change 2: Be able to efficiently determine when patient needs emergent higher level of care

Practice Change 3: Learn how to avoid unnecessary tests based on differential diagnosis

Please select all that apply with respect to your proposal.: Interpersonal and communication skills, Medical knowledge, Patient Care, Practice-based learning and improvement, Professionalism

Does your proposal include osteopathic medicine principles?: No

Please select format:: Didactic Presentation - 60 min

If you marked other, please provide details.:

Maximum audience size:: 300

Do you have prior teaching experience? : Yes

If you marked yes, please provide details. Please list one to three previous presentations that are relevant to this topic. Include dates, events, type and size of the audience, and evaluation score (converted to a 0-5 scale where 0 is low and 5 is high).: Evaluation and management of acute abdominal pain. Presented at both AAFP FMX and LAFP conference. 5/5

Do you require an honorarium?: No

If you marked yes, what is the requested amount?:

Do you require reimbursement for travel expenses?: Yes

If you marked yes, please indicate what is requested: (please note that LAFP's Travel Policy will apply): Waived Registration Fee, Hotel accommodations

CME Disclosure Form:
